RE: Testimonial Letter

Mr. Rabin:

We have not yet had the pleasure of meeting, yet I wanted to reach out to you anyway and let you know how pleased I am with your company, A-1 Roofing. A-1 consistently adds value to my projects before, during, and even after the buildings have been completed.

Thank you for your continued service. Your staff continues to exceed my expectations- from your receptionist to your Vice-President, and EVERYONE in-between. I look forward to the opportunity to continue working together.

Sincerely,

Joel Sattler
Project Manager
