Re: Roofing Work  
Three Crowns Park

Dear Mr. Rabin,

I would like to take this opportunity to write this letter for the job well done by A1 roofing at Three Crowns Park project in Evanston, Illinois. It is rare now a day to work with a project manager who is also the owner of the company. Your firm did a nice job in the field and you well communicated the project schedule. Your prompt response to our needs was very helpful in solving some difficult details. I look forward to working with your firm for a continuing successful relationship.

Sincerely,

Pepper Construction Company
