Re: Testimonial Letter

Jim, I would like to take this time to tell you and the entire A-1 Roofing company what a pleasure it has been to work with your organization over the past years. The dedication to quality has been shown in each and every project you have done for us. Also, your commitment to customer satisfaction has been proven time and time again no matter what type of project you have done for us. A-1 has always provided us great service and taken on the extremely challenging projects, when other roofing subcontractors declined. We know that whenever we run into the extremely difficult project that will require extreme coordination, intense pre-planning and a true partnering effort in getting the project done, we can count on A-1.

Sincerely,
