SCHOOLS COUNT ON A-1 ROOFING COMPANY FOR LONG-TERM SYSTEM PERFORMANCE

Safety equipment, employee training and safety incentive programs keep our people safe and insurance costs under control.

In an effort to be a more efficient, greener company, A-1 Roofing has been a leader in digitized plan review and paperless estimating technology.

Count on A-1 Roofing for Quality Workmanship

Since 1910, A-1 has provided a wide range of quality roof systems and services.

- EPDM
- TPO
- PVC
- Asphalt BUR
- Coal Tar BUR
- Modified Bitumen
- Vegetative Roof Systems
- Waterproofing systems
 - fluid applied above and below grade waterproofing
- Air Barrier Systems
- Architectural Sheet Metal
- Standing Seam Roofs

Dependable Service Since 1910

Even though a manufacturer's warranty may still be in force, roof systems are always susceptible to severe weathering, expansion, contraction and other abuse. A-1 Roofing provides the following services to protect your investment and extend the life of your roof system.

- Roof evaluations
- Roof repair and replacement
- Scheduled inspections and maintenance programs

100 YEARS OF EXCELLENCE
